*****Notices from the Training Coordinator*****

Online Training – Effective January 1, 2017, all Boilermakers except new apprentices are required to utilize the MOST online training programs for the OSHA 5, 10 and 30-hour courses. Any member who requires training will need to submit a request through the hall, which will then be forwarded to MOST. At this time, MOST is not accepting individual, direct training requests. A valid email address will be required for all training requests.

Effective December 31, 2020, the Boilermaker Code Training Class will be a mandatory requirement to remain on and to be referred to work on the primary list. This is a one day class that you can take on July 9th, July 10th or July 11, 2018. Call the union hall if you would like to be placed on the list to take this class.

Apprentice training classes are available to all Local #13 journeyman. Welding, rigging, torch burning, blueprint reading, knot tying, EPRI rigging and many other classes are being held. Call Matt Fink the union hall for information and scheduling for any of these classes.

From the Desk of the Dispatcher

Please keep calls to the union hall to a minimum after 2:00 p.m. We start dispatching work at 2:00 p.m. and it is unfair to members waiting to be called for work to be delayed by tied up phone lines. Also, many times we have to fill jobs for that same night and are delayed due to many incoming calls. If you need to call the hall for matters other than dispatch please call before 2:00 p.m. Also, remember to call in your layoff on the day you are laid off. Although it is the duty of the job steward to call in layoffs, it is ultimately the member's responsibility to contact the union hall. The best way to inform the union hall of your layoff is to call the union hall after 4:30 p.m. and leave a message on the recorder that you were laid off. Leave the date you were laid off and the name of the job you were laid off from.

Please remember in your prayers our sick member(s)
