*****From the Desk of the Dispatcher*****

Please keep calls to the union hall to a minimum after 2:00 p.m. We start dispatching work at 2:00 p.m. and it is unfair to members waiting to be called for work to be delayed by tied up phone lines. Also, many times we have to fill jobs for that same night and are delayed due to many incoming calls. **If you need to call the hall for matters other than dispatch please call before 2:00 p.m. Also, remember to call in your layoff on the day you are laid off.** Although it is the duty of the job steward to call in layoffs, it is ultimately the member's responsibility to contact the union hall. The best way to inform the union hall of your layoff is to call the union hall after 4:30 p.m. and leave a message on the recorder that you were laid off. Leave the date you were laid off and the name of the job you were laid off from.

*****Notices from the Training Coordinator*****

*****M.O.S.T. 5 Hour Refresher Course***** Will be held at the union hall on **Wednesday, January 30, 2013 at 9:00 a.m.**

*****Local #13 Common Arc Welder Testing***** There will be Common-Arc Testing at the Boilermaker Local Lodge 13 Union Hall from **Monday, February 4, 2013 through Friday, February 8, 2013.** The type of testing will be Carbon Tube, Stainless Tube, and Inconel Tube. If interested please call Tina at the Union Hall to reserve a spot. **You must specify when calling which test you would like to take.**

*****Training Classes ***** Please contact the union hall to be placed on the waiting list If you are interested in taking any of the upcoming classes; the OSHA Qualified Crane Signal Person Course, Field Supervisor Training/Foreman Training, Journeyman Training, Planning and Scheduling Course or the Project Management Program Course.

*****M.O.S.T. Drug Testing Facilities*****The M.O.S.T. program has changed some of the facilities that you can go to for a drug test. Please call the drug testing facility before going for your drug test to make sure that the facility is still on the list of M.O.S.T. approved collection sites. Also, all Boilermakers must assume that they will be drug & alcohol tested when signing up on all jobs and they must assume that there will be random drug & alcohol testing as well during such jobs.

*****M.O.S.T. Chain of Custody Forms***** Please keep in mind that the proper procedure for renewing your annual M.O.S.T. drug test is as follows; after receiving the M.O.S.T. drug test postcard, fill it out and send it back to M.O.S.T. They will then send to you a chain of custody in the mail which you can use at a M.O.S.T. collection site near you. It has come to our attention that some members are under the impression that the chain of custody is obtained at the union hall. Although the union hall has the chain of custody papers for certain situations, the proper procedure to obtain a chain of custody is to go through the M.O.S.T Program.
