Fraternally yours, Robert J. Cryder, III, President – Local Lodge No. 13

FROM THE DESK OF THE BUSINESS MANAGER

*****Vacation Checks***** Will be distributed on December 1, 2017 between 9:00 a.m. and noon. No checks will be issued to any member whose monthly dues are in arrears or owe Local #13 any outstanding debt.

*****New DCR Requirements*****

As of October 16, 2017, all contractor employees will need current Process Safety Management (PSM) training to gain access to the Delaware City Refinery (DCR). Unfortunately, PSM training is not currently incorporated into the MOST-10 hour and is not accepted by DCR.

There are two ways to obtain PSM training: (1) Delaware Valley Safety Council (DVSC) or (2) Built-Rite. Initial DVSC training is \$80 per person; refresher training is \$65.00 per person. Classes are held every week. Built-Rite PSM training is administered by each of the building trades and classes are held periodically throughout the year. Upcoming Built-Rite classes will be posted on our website as we are notified.

We are in the process of certifying trainers through the hall. However, until we are fully capable of holding PSM classes through the hall, it will be necessary for each member to obtain PSM training either through DVSC or a Built-Rite PSM class held at another trade's training center. We appreciate your cooperation through this transition. Please contact the hall with any questions.

*****Wagon of Fun and Wheelbarrow of Cheer tickets are now available***** If you have seen them over the past few years, you know they get bigger and better each year. Each one is now worth over \$1,700.00. Tickets are \$1.00 each and it benefits the Sick & Distress Fund. **Drawing will be held on Friday, December 8, 2017 at the Christmas Meeting. See enclosed flyer.**

*****Our Annual Family Christmas Party*** will be held on Sunday, December 3, 2017 at the Newportville Fire House, Heritage Hall, 2425 New Falls Road (across the street from the union hall). Mark your calendars, every child 12 and under receives a gift from Santa. See enclosed flyer.**

*****Nitalia's Blankets***** Local #13 in conjunction with Nitalia's Blankets will be collecting new Items for St. Jude's Hospital, Philadelphia Children's Hospital and St. Christopher's Hospital. Donations will be accepted at December's union meeting on December 8, 2017 and at the family Christmas party on December 3, 2017. See enclosed flyer.

*****Monthly dues**** Monthly dues will increase to \$49.20 per month effective January 1, 2018.** Remember to put your registration number on your check. Due to security concerns please do not put your social security number on your check, only your registration number. Local #13 will no longer be able to cover members who allow their dues to go into arrears!!! A \$500.00 reinstatement fee will be imposed. It is your obligation to the union to pay your dues on time.

*****Pay Monthly Dues Online***** Members also now have the option of paying monthly membership dues online. Visit the local's website at www.boilermakers13.org, select "Member Resources" then "Online Dues". A convenience fee is added to each transaction. If you have any issues with the portal, please notify the hall immediately.

*****Scholarship Dinner Dance***** Our 41st Annual Scholarship Dinner Dance will be held on Saturday, April 28, 2018. The Dinner Dance will be held at the Insulators Local #14, Philadelphia Ballroom, 2014 Hornig Road, Philadelphia, PA 19116. Watch for more details in regards to applications and testing date for the Jeffrey C. Davis Vocational Scholarship and the Boilermakers Local 13 Academic Scholarship.

*****Scholarship Memorial Cards***** are available from the office. These cards can be obtained by sending a check payable to the Local #13 Scholarship Program for \$10.00 either with the name and address where the card is to be sent, or have the card forwarded to your home to have available for services. A memorial page will appear in the 2018 Scholarship Program in honor of those we would like to remember.

*****Volunteers Needed***** Penn State's Milton Hershey Medical Center is once again seeking volunteers for its study on welding and brain health. Participants will need to submit to an initial clinical exam and agree to be monitored over a period of 18 months. Participants will be compensated for completing the study. For more information, please contact Lauren Deegan at 717-531-0003 x281168. See enclosed flyer.

*****Delaware Building Trades Action Center***** Recently, The Delaware Building and Construction Trades Council invested in an email notification tool to more quickly mobilize and respond to developing legislative and political issues. All Delaware members are encouraged to visit the Delaware Building Trades website at debldgtrades.com/action-center/ to sign up for email alerts through the Action Center.

*****Email Addresses needed***** as we transition more to electronic communication, it is important that we have an accurate email address on file for each member. If you have not already provided one, please contact the hall with a current email address at your convenience. Please note, member email addresses are used for internal lodge communications only and will not be shared with any outside party.

*****TWIC Enrollment Requirements***** Effective July 1, 2015 the Transportation Security Administration (TSA) adopted new enrollment requirements for U.S. born TWIC applicants. TSA is making this change to align TWIC proof-of-citizenship requirements with those of other TSA Programs. Before applying for a TWIC card, be sure to visit www.tsa.gov to review the updated list of acceptable documentation.

*****Notices from the Training Coordinator*****

Steward Training Class - There will be a Steward Training Class held at the union hall on **Wednesday, November 15, 2017 at 8:00 a.m.** Please contact the union hall if you would like to sign up for this class!

Online Training – Effective January 1, 2017, all Boilermakers except new apprentices are required to utilize the MOST online training programs for the OSHA 5, 10 and 30-hour courses. Any member who requires training will need to submit a request through the hall, which will then be forwarded to MOST. At this time, MOST is not accepting individual, direct training requests. A valid email address will be required for all training requests.

Local #13 weld shop is now open every Tuesday night until 8:00 p.m. for Local #13 journeyman and apprentices.

Remember to check the website for any additional Training dates

From the Desk of the Dispatcher

Please keep calls to the union hall to a minimum after 2:00 p.m. We start dispatching work at 2:00 p.m. and it is unfair to members waiting to be called for work to be delayed by tied up phone lines. Also, many times we have to fill jobs for that same night and are delayed due to many incoming calls. If you need to call the hall for matters other than dispatch please call before 2:00 p.m. Also, remember to call in your layoff on the day you are laid off. Although it is the duty of the job steward to call in layoffs, it is ultimately the member's responsibility to contact the union hall. The best way to inform the union hall of your layoff is to call the union hall after 4:30 p.m. and leave a message on the recorder that you were laid off. Leave the date you were laid off and the name of the job you were laid off from.
