Online Training – Effective January 1, 2017, all Boilermakers except new apprentices are required to utilize the MOST online training programs for the OSHA 5, 10 and 30-hour courses. A valid email address will be required for all training requests.

EPRI Rigging Certification – Journeyman are needed to start practicing for the written portion of the EPRI Rigging test. You will need this certification to prevent other crafts from taking our work. Check the website for EPRI Rigging Practice dates.

Remember to check the website for any additional Training dates

From the Desk of the Dispatcher

Please keep calls to the union hall to a minimum after 2:00 p.m. We start dispatching work at 2:00 p.m. and it is unfair to members waiting to be called for work to be delayed by tied up phone lines. Also, many times we have to fill jobs for that same night and are delayed due to many incoming calls. If you need to call the hall for matters other than dispatch please call before 2:00 p.m. Also, remember to call in your layoff on the day you are laid off. Although it is the duty of the job steward to call in layoffs, it is ultimately the member's responsibility to contact the union hall. The best way to inform the union hall of your layoff is to call the union hall after 4:30 p.m. and leave a message on the recorder that you were laid off. Leave the date you were laid off and the name of the job you were laid off from.
